

CORRUPT THE YOUTH'S

SUMMER PHILOSOPHY PROGRAM

JUNE 3-14, 2019

The University of Texas at Austin

Program Details

Join us for two exciting weeks on UT's campus where you'll engage with life's big questions and today's toughest problems in a lively community of inquiry. Not only will we flex our critical skills during the day, but we'll spend our evenings in activities that the UT community has to offer. Best of all, the program, including room and board, is **completely free** for all participants.
